

TECHNICAL INFORMATION

Article number	ALC.088670
Color	Transparent
Height	135 mm
Width	135 mm
Length	85 mm
Weight	145 g
Material	Tritan
Pieces per box	70
Ean piece	70

PRODUCT INFORMATION

These brand-new unbreakable tumblers are designed to last for a long time. The timeless design works for many different settings and environments such as restaurants, cafés, and bars. Stackers also fit any business that require the safety of unbreakable drinkware. The tumblers are fully stackable, making them space-efficient and easy to handle. All tumblers have base drainage grooves to ensure hygienic dishwashing results and allows immediate stacking.
