

TECHNICAL INFORMATION

Article number	ALC.088870
Color	Transparent
Height	164 mm
Width	164 mm
Length	95 mm
Weight	174 g
Material	Tritan
Pieces per box	60
Ean piece	60

PRODUCT INFORMATION

These brand-new unbreakable tumblers are designed to last for a long time. The timeless design works for many different settings and environments such as restaurants, cafés, and bars. Stackers also fit any business that require the safety of unbreakable drinkware. The tumblers are fully stackable, making them space-efficient and easy to handle. All tumblers have base drainage grooves to ensure hygienic dishwashing results and allows immediate stacking.
