TECHNICAL INFORMATION

Article number	ALC.088470
Color	Transparent
Height	90 mm
Width	90 mm
Length	83 mm
Weight	91 g
Material	Tritan
Pieces per box	120
Ean piece	120

PRODUCT INFORMATION

These brand-new unbreakable tumblers are designed to last for a long time. The timeless design works for many different settings and environments such as restaurants, cafés, and bars. Stackers also fit any business that require the safety of unbreakable drinkware. The tumblers are fully stackable, making them space-efficient and easy to handle. All tumblers have base drainage grooves to ensure hygienic dishwashing results and allows immediate stacking.
