TECHNICAL INFORMATION

Article number	ALO.081117
Color	Black
Length	240 mm
Weight	59 g
Material	PA
Pieces per box	150
Ean piece	150

PRODUCT INFORMATION

These Black Serving Tongs are made out of high quality nylon, which is food contact safe as well as virtually unbreakable. The tongs are dishwasher safe. These serving tongs have an excellent grip due to the ribbed end. This makes it very easy to pick up and rotate food. Perfect for cooking or handling meats, fish, vegetables, salads etc. They are safe to use in temperature up to +180°C, which allows for them to be utilized in food warmers. Very versatile utensil ? Ideal not only for cooking, but also plating of food.
