TECHNICAL INFORMATION

Article number	ALO.COMB-B
Color	Black
Weight	77 g
Material	PA
Pieces per box	1
Ean piece	1

PRODUCT INFORMATION

These Black Combination Tongs are made out of high quality nylon, which is food contact safe as well as virtually unbreakable. The design combines functions of tweezers with a ladle. They are perfect for buffets and food displays. These tongs have an excellent grip due to the ribbed end. They are safe to use in temperature up to +180°C, which allows for them to be utilized in food warmers as long as the recommended temperature is not exceeded. Dishwasher safe.
