

TECHNICAL INFORMATION

Article number	AMO.11031010690
Color	Grey
Height	59 mm
Diameter	26.8 mm
Weight	320 g
Material	PP+PUR
Pieces per box	30
Ean piece	30

PRODUCT INFORMATION

This Isothermal Cover and Base are suitable for plates up to 23cm diameter, items sold serperatly. They are made of grey polypropylene and polyurethane. Both materials are very robust, yet light. The isothermal design allows to keep food hot for up to 60 minutes. The cloche also helps with protecting food, prevents flavours from escaping and odours from spreading throughout the premises. The lid also allows for the meals to be pre-prepared and stacked, ready for service. Both parts of the set are dishwasher safe.

A larger version of this plate and base is also available on our website to fit all of our 25.5cm plates.
