Material	PP
Pieces per box	40
Ean piece	40

PRODUCT INFORMATION

Lid for single compartiment rectangular large black 2 L bowl. Lid has very tight seal that allows no spillage. Perfect for keeping both hot and cold food fresh longer. Seethrough lid allows for quick screening of which food is inside, which makes it perfect for professional kitchens. Both box and lid are dishwasher safe up to 80°C. Microwave safe for reheating food. Made out of high quality polupropylene, making this bowl very lightweight, yet extremely durable.
