PRODUCT INFORMATION

Our Assisted Living Plate is available in four colours ? red, blue, yellow and white. This high quality plate has a high rim, making it easier to scoop food onto cutlery. The integrated friction base holds the plate in place, and the bright colours makes it ideal for anyone with cognitive, motor or physical impairments. The plate is suitable for any type of dish, from soup to dessert! It is made out of high quality copolyester, which is virtually unbreakable. The plate is dishwasher and microwave safe for reheating food. A compatible white lid is also available to go with this plate (Product code: ALC.082550). It is perfect to keep the food warm and fresher for longer.
