PRODUCT INFORMATION

This MultiPot is available in a fantastic range of 17 colours. It is perfect for serving portions of pasta and rice dishes, stews, salads, noodles, snacks or fruit and dessert! The available range of shades is also great for colour coding, where special dietary requirements need to be easily distinguished. The dishes are very lightweight and extremely durable. It is made out of high quality polycarbonate plastic, which is virtually unbreakable. These dishes are dishwasher safe. They are also microwave safe for reheating food. An optional multipot lid (sold separately) is also available (Product Code: HAP.286) in a clear colour. The lid allows for the multipots to be stackable when in use and helps keep the food fresher for longer.
