PRODUCT INFORMATION

This Dessert Pot is available in a clear colour. It is perfect for serving portions of layered desserts, yogurts, fruit, dips and snacks. It is made of high quality polycarbonate plastic, which is virtually unbreakable. These dishes are dishwasher safe and microwave safe for reheating food. An optional dessert pot lid (sold separately) is also available in clear (Product Code: HAP.285CLE) or red, purple, and blue (Product Code: HAP.585). The lid allows for the pots to be stackable when in use and helps keep the food fresher for longer. The dishes are very lightweight, non-shatter and extremely durable.
