PRODUCT INFORMATION

This MultiPot Lid is available in a clear colour. It is made out of high quality polycarbonate plastic. It is reusable, which makes it a perfect replacement for disposable lids. These lids are dishwasher safe and microwave safe for reheating food. They are ideal for food storage and to enable secure and easy layering of multiple pre prepared meals in our MultiPots. A MultiPot (sold separately) compatible with this lid is also available in 17 colours (Product Code: HAP.080). They are great for colour coding of the pots while storing or serving food in case of any special dietary requirements. This product is 100% recyclable.
