PRODUCT INFORMATION

This large Aqua tumbler is perfect for serving any cold or hot drinks. This tumbler is a part of our Aqua range ? complete the set with a 750ml litre jug (Product Code: IMC.904300) and smaller matching tumbler in 280ml capacity (Product Code: IMC.908300). The tumblers are made of high quality copolyester, which is virtually unbreakable and makes it reusable for many times. This product is 100% recyclable and BPA free. These glasses are dishwasher safe.
