PRODUCT INFORMATION

This red Carafe Lid from our Aqua Range is available in a choice of four colours. The lid is made of quality, flexible elasto material, which is virtually unbreakable. Dishwasher safe. They are compatible with the 750ml clear carafe (Product Code: IMC.904300). Additional tumblers are also available from our Aqua range to complete the set. They come in two different sizes ? 280ml and 350ml (Product Codes: IMC.908300 & IMC.909300). The jug lid has a handy dual purpose. You can use it to cover the carafe or as a coaster for the tumblers. A contemporary, stylish design with great durability, practicality and performance!
