Pieces per box	15
Ean piece	15

PRODUCT INFORMATION

If you?re looking for an unique, robust, structured tray with your own design or logo that will withstand everyday use, our personalised Grain Trays are for you! They are ideal for intensive use many times a day. They are made out of high quality polyester with 27% fibreglass, which is extremely durable and super strong. The tray won?t break or chip, making it a safe option to use during meal. This tray is warp and heat resistant with a temperature range from -50°C to +140°C. There is a 5 year anti breakage warranty. They are dishwasher safe. Very easy to separate and stackable as well.The grainy texture of the surface ensures extra grip and stability. An antislip version of this Grain tray is also available.
