

TECHNICAL INFORMATION

Article number	THO.027018
Color	Grey
Height	23 mm
Width	355 mm
Length	455 mm
Weight	437 g
Material	PP
Pieces per box	50
Ean piece	50

PRODUCT INFORMATION

This large polypropylene Serving Tray is a great solution for lighter and easier meal carrying/serving.
Made of polypropylene, which is a lightweight yet durable and tough solution to meet your catering needs.
These trays have a textured chequered pattern base to help reduce and conceal scratching of the surface, while making an attractive design.
The trays are very easy to separate. The design allows for the trays to be stackable.
