PRODUCT INFORMATION

This super lightweight Coffee or Tea Pot is an essential at any self serving buffet, office or breakfast table. Our serving pots are made out of high quality PET-G making it a super lightweight, yet robust option to suit all your catering needs. The pot is extremely durable, it won't chip or shatter when knocked making it safer to use than glass, ceramic or porcelain options. The ergonomically designed, ribbed handle is super easy to grip it more comfortable and securely. A modern and stylish design with smooth finish to serve your morning coffee or afternoon tea.
