| Color          | Transparent |
| Height         | 305 mm      |
| Width          | 345 mm      |
| Length         | 345 mm      |
| Weight         | 1168 g      |
| Material       | PET-G       |
| Pieces per box | 1           |

## PRODUCTINFORMATION

A glass of deliciously fresh fruit juice or refreshing flavoured water? A practical drink dispenser, so everyone can serve themselves. Simple and without spillage. Match the drink dispenser in the desired size with the accessories of your choice: an extra base, anti-drip tray or a cooling element. The plastic version and the smart design are your guarantee of ease of use and maintenance well into the future.
