PRODUCT INFORMATION

This Large Serving Container is available in a clear colour with a frosted effect on the outside and smooth inside. This size is perfect to use for buffet food displays. Great for cereals, muffins, soup, fruit, bread etc. Also suitable as a storage or an ingredient mixing bowl. It is made of polycarbonate plastic, which is virtually unbreakable, yet extremely lightweight to meet all of your catering needs. These dishes are dishwasher safe. An optional lid with handle is also available to fit this container.
