PRODUCT INFORMATION

This White Rectangular Bowl is perfect for storing and serving salads, pasta or rice dishes, stews etc.

The bowl is made out of high quality polycarbonate plastic, which is virtually unbreakable.

These bowls are dishwasher safe. They are also microwave safe for reheating food.

An optional lid (sold separately) is also available on our website in a grey colour. It is perfect for keeping the contents of the bowl fresher for longer. It's also great if portions of food need to be prepared in advance as the lid makes the bowls stackable and helps with space management.
