PRODUCT INFORMATION

This slimline Belgian Beer Glass is perfect for serving any chilled drinks from juice, water, beer to cocktails and many more. The tumblers are made of high quality polycarbonate, which is virtually unbreakable. They will not chip, shatter or splinter, when dropped making the product extremely durable. The very attractive design with fluting on the sides up to the lower third will make any drink look stylish and modern. There is also a graduation at 0.25l on the tumbler for measuring the contents of the glass or fluid intake control if necessary. The glass is very easy to stack, which makes it perfect for daily use in your bar.
