## PRODUCT INFORMATION

This Reversible Lid 1,4 L Clear Pitcher will keep any ice or fruit in place. You can also turn it around to securely lock it if not in use and avoid any spillages. The jug lid is made out of high quality copolyester, which is virtually unbreakable. The lighter weight of the jug and lid ensures that spillages are kept to a minimum. These jug lids are dishwasher safe. A matching clear colour jug with frosted panels that is compatible with this lid is also available (Product code: ALC.080650). If you're looking for a modern and slender appearance with quality performance and durability, this jug and lid is for you!
