

TECHNICAL INFORMATION

Articlenumber	ALC.088570
Color	Transparent
Height	123 mm
Width	123 mm
Length	75 mm
Weight	119 g
Material	Tritan
Pieces per box	90
Ean piece	90

PRODUCT INFORMATION

These brand-new unbreakable tumblers are designed to last for a long time. The timeless design works for many different settings and environments such as restaurants, cafés, and bars. Stackers also fit any business that require the safety of unbreakable drinkware. The tumblers are fully stackable, making them space-efficient and easy to handle. All tumblers have base drainage grooves to ensure hygienic dishwashing results and allows immediate stacking.
