PRODUCT INFORMATION

Our Lid for Soup Bowl is perfect not only for serving soups, but also stews, casseroles or side dishes. It is available in a clear colour, making it easier to view the contents of the bowl, without taking the lid off. The lid is compatible with our white speckle soup bowl. The lid has a small cut out on the rim, that allows to keep a ladle or spoon inside the bowl, ready for serving. Great addition to our bowl to make sure you keep the ingredients fresher and warmer for longer. These lids are dishwasher safe. Made out of high quality polycarbonate plastic, which is virtually unbreakable and long lasting.
