PRODUCTINFORMATION

1500ml Frosted Jug lid is made out of high quality polypropylene, which is virtually unbreakable. It will not shatter or splinter, when dropped. Widely used in the education, healthcare and hospitality section. Also a fantastic choice for home users. Please note that the lid is not water tight, even though it sits inside of the jug to provide a firm fit. The lids are dishwasher safe. Ideal for serving any chilled or hot drinks. This lid has an easy grip handle to aid with separation. This lid is compatible with our 1500ml frosted translucent jug.
