PRODUCT INFORMATION

This White Round Bowl is available in white colour. It is made out of high quality polycarbonate plastic, which is virtually unbreakable and will not shatter or splinter, when dropped.

These bowls are dishwasher safe. They are also microwave safe for reheating food.

An option lid (sold separately) is also available on our website in a grey colour . It is perfect for keeping the contents of the bowl fresher for longer . It's also great if portions of food need to be prepared in advance as the lid makes the bowls stackable and help with space management.
