PRODUCT INFORMATION

This Low Cloche is available in clear colour, making it easier to see the contents of the plate.

It is made of polycarbonate which is virtually unbreakable. The cloche is dishwasher and microwave safe for reheating food.

The lid is compatible with our 21.5cm plate . It is a perfect solution for keeping the ingredients fresher for longer. In addition, the lid can provide extra protection during meal service to keep the food warmer. Also used as a cover for transporting plated food for room service etc.
