## PRODUCT INFORMATION

This rectangular Bowl Lid is available in a grey colour. The lid is made of polypropylene which is virtually unbreakable, making it a lightweight, robust and durable solution.

The lid is compatible with the white rectangular bowl, which is available on our website. It is a perfect solution for keeping the ingredients fresher for longer and it allows to stack multiple bowls if it's necessary. Dishwasher safe.

Our square bowls and these compatible lids are popular across many sectors using catering services ? from hospitality and retail to educational and healthcare sector.
