PRODUCT INFORMATION

Discover our newest innovation in serving trays: Craft Tray. This FSC®-certified tray is made out of 65% paper and 35% resin. With its scratch-resistant toplayer, this tray loves to serve you and your visitors for many years ahead. After food serving, this tray can be put in a dishwasher and should be dry when stacked afterwards. Available in many different sizes and prints, ready to fit your interior at its best way possible. Front and back of this tray is both in Olive Wood where the top can have an additional antislip coating and the back has a nice engraving of Craft Tray and FSC®. The Alpha tray range has a matt and structured surface that completes the natural look and feel of the tray. Are you ready to spice up your serving game?
