PRODUCT INFORMATION

Single compartment rectangular small black 40 cl bowl. The bowl is perfect for storing and transporting your freshly prepared meals. A hermetic seal lid is available for this container, but is sold separately. Suitable for storing both hot and cold foods. Both box and lid are dishwasher safe up to 80°C. Microwave safe for reheating food. Suitable for fridges and freezers as well. Made out of high quality polypropylene, making this bowl very lightweight, yet extremely durable.
