PRODUCT INFORMATION

750ml Graduated Jug available in a choice of 5 colours. The jug is made out of high quality polycarbonate, which is virtually unbreakable. It will not shatter or splinter, making this product extremely durable. The jug is graduated every 25ml with the measurements in metric and imperial. It can be used to monitor liquid consumption as well as to dilute concentrates correctly. Matching colour lids that are compatible with this jug are also available (Product code: HAP.041). The jugs are also 100% recyclable. Ideal for serving any chilled or hot drinks. If you're looking for a stylish and slender appearance with quality performance and durability, this jug is for you!
