PRODUCT INFORMATION

Try out our revolutionary buffet display solution ? the s-cube! Compatible with all shapes and sizes from our s-plank range, you can now create amazing looking food and drink displays. The cubes design allows for you to stack securely multiple s-cubes together for building displays at different heights and sizes. You don't need normal raisers anymore. Our s-cubes are made out of high quality HDPE plastic, which is super hard wearing. The s-cubes are dishwasher safe and have a non slip function. Let's build!
