PRODUCT INFORMATION

This ABS Tray is a great solution for easier and safer meal carrying/serving. The tray comes in five different choices of colours. Made out of hard-wearing ABS plastic, making it a strong and very durable solution to meet your catering needs. These trays are lightweight, but robust at the same time, with a textured base to help reduce scratching of the surface. ABS has a naturally high resistance to staining and breakages. Our ABS trays are dishwasher and sterilising sink safe. Extra discount valid until end of stock.
