## Food Contact Compliance for

- Braskem C765-15NA PolyPropylene Resin

This product complies with the relevant requirements for use in contact with food regarding Commission Regulation (EU) No 10/2011 (14. January 2011) on plastic materials and articles intended to come into contact with food, ANNEX I, Table 1, including subsequent amendments up to Commission Regulation (EU) 2020/1245 (2. September 2020, applies to all EU-Member States), applicable to intermediate materials (e.g. plastic granules). In addition the product complies with Article 3 of Regulation (EC) No 1935/2004 concerning the generic product safety requirements of materials and articles intended to come into contact with foodstuffs.

Braskem Europe strives for producing all products by following the key elements of good manufacturing practice as outlined in Commission Regulation (EC) No 2023/2006 of 22. December 2006 according to our best knowledge.

The raw materials used for the manufacturing of this resin are of a suitable purity for articles intended for use in contact with foodstuffs.

With reference to Article 11, item 3 of Commission Regulation (EU) No 10/2011 (Dual Use Additives) we would like to share with you that that one or more substances which are subject to a restriction in food when used as direct food additives (Annex II of Regulation (EC) No 1333/2008, as amended), are present in this product.

All monomers and additives used in the manufacturing of this resin are listed in Commission Regulation (EU) No 10/2011.

We like to draw your attention to the fact that Commission Regulation (EU) No 10/2011, which applies to all EU Member States, includes a limit of 10 mg/dm<sup>2</sup> on the overall migration from finished plastic articles into food.

The OML (Overall Migration Limit) and SML (Specific Migration Limit) determinations, when applicable, has to be determined under the responsibility of the manufacturer of the finished plastic food contact material or article according to the requirements specified in EU Regulation 10/2011 EC and subsequent amendments.

This product contains one or more substances that have a Specific Migration Limit (SML).

Substance	CAS#	Ref. No.	SML (mg/kg)
N, N-Bis(2-hydroxyethyl)alkyl(C8-C18)amin	70955-14-5	39090	1,20
9,9-bis(methoxymethyl)fluorene	182121-12-6	39815	0,05
Aluminium	-	-	1,00

This product does not contain substances which have QM limitations (residual quantities) as specified by European Regulation 10/2011 EC.

Braskem is not responsible to perform organoleptical tests on its resins.

Please note that it is the responsibility of the manufacturers of the finished food contact article and/or the industrial food packers to ensure that the article in its final application does not bring about a deterioration of the organoleptical characteristics of the foodstuff.

Parameters such as applied processing conditions and any modification of the resin during processing are beyond the control of Braskem.

It remains the responsibility of the manufacturer of the finished food contact article and the industrial food packer to make sure that the requirements of Regulation (EC) No 1935/2004, Article 3 pertaining to the final articles are met.

Based on the considerations above as well as on our own safety assessments of all raw materials used in the manufacturing of this resin providing good manufacturing practice applied during processing of this resin, we can confirm that this resin as supplied complies with Article 3 of Regulation (EC) No 1935/2004.

Further, systems and procedures have been implemented in the manufacture of this resin in order to fulfill the requirements of Article 17 of Regulation (EC) No 1935/2004 regarding traceability. Article 17 applies as of 27. October 2006.

Product Stewardship

Braskem Europe GmbH

This declaration is valid without signature.

*1) Braskem does not make or expressly disclaim any warranties, including warranties of merchantability or suitability for a particular purpose, regardless of whether oral or written, expressly or implied, or allegedly arising from any use of any trade or from any course of dealing in connection with the use of the information contained herein or the product itself. The data provided in this document is limited to the extent of Braskem's knowledge and/or supplier's information provided to Braskem on this date. The document herein relates only to the specific Product designated and may not be valid for such Product used in combination with any other product or in any process, unless otherwise specified.*

*2) This Product should not be used in medical or pharmaceutical applications classified as (i) Class IV under applicable Brazilian law or (ii) Class III under applicable EU law or (iii) highest level risk under applicable United States law (i.e., those applications presenting maximum risk to health and safety of patient, operator, consumer or third parties).*

*3) It is the Purchaser's responsibility to verify the suitability of Braskem's Product for the intended use, to obtain the necessary competent government approvals and to ensure compliance with any applicable legal and regulatory requirements. Braskem does not warrant the suitability of its Products for the Purchaser's intended use of its (the Purchaser's) finished products. Moreover, Purchaser acknowledges and accepts the responsibility to determine and perform all necessary tests on its finished products to ensure that all conditions, specifications, legal and regulatory requirements are met and that its finished products manufactured with this Product are suitable for the application intended, including, but not limited to, medical, pharmaceutical, food packaging, food contact, as applicable.*

*4) The Purchaser assumes the full risk of any liability either resulting from a contract or the law to its consumers and purchasers, exempting Braskem from any direct or indirect damages arising from the commercialization of the Purchaser's finished product.*

*5) If the Purchaser is not the end-purchaser of this Product and is going to distribute, sell or to make it available for third parties, this disclaimer must be presented to those third parties, including the importer, under penalty of exclusive responsibility of the Purchaser for the use of this Product by the third parties, in disagreement with Product Stewardship information.*

*6) The information provided is of the date hereof and Braskem may update, revise or amend the information contained herein whenever possible at any time. Purchaser shall verify any updates to this information by contacting Braskem Product Stewardship Department.*

*7) Additional information on health, safety and environmental aspects of Braskem's product is listed in its Safety Data Sheet (SDS).*

*8) For the purposes of this document, Braskem shall be understood as Braskem S.A and its subsidiaries, including Braskem Netherlands B.V., Braskem Europe GmbH and Braskem America Inc., and the Braskem legal entity(ies) which is/are the seller of Product, unless otherwise expressly specified.*
